

Range & Course Mats

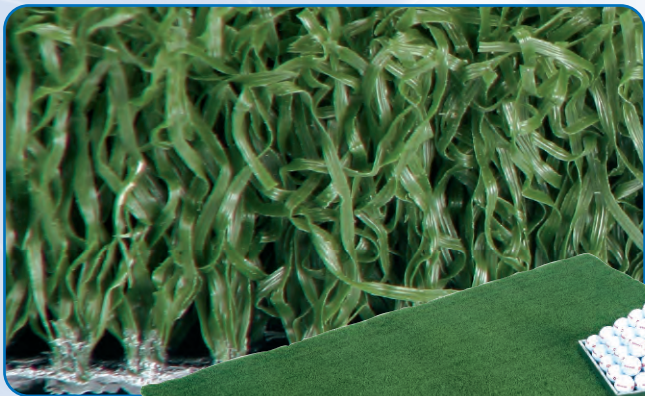

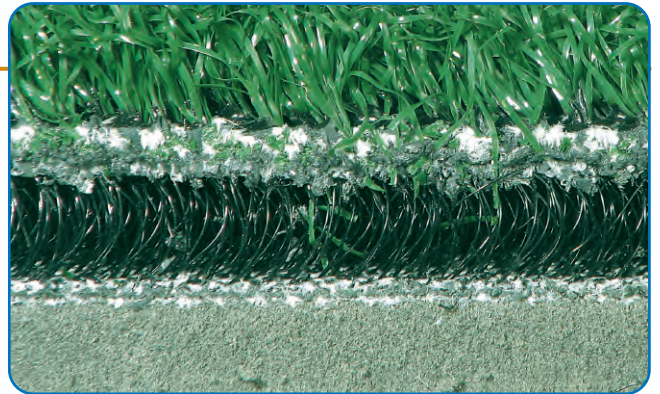

Turboflex Mat

The turboflex golf mat gives the golfer a comfortable stance and a real true-to-turf feel as they strike the ball. The sprung mid layer reduces the chance of injury to wrists and elbows.

- Nylon 6.6 turf
- 2 tee holes per side

dimensions

1.5m square

Supaturf

- Most true-to-turf feel available
- 25mm nylon 6.6

dimensions

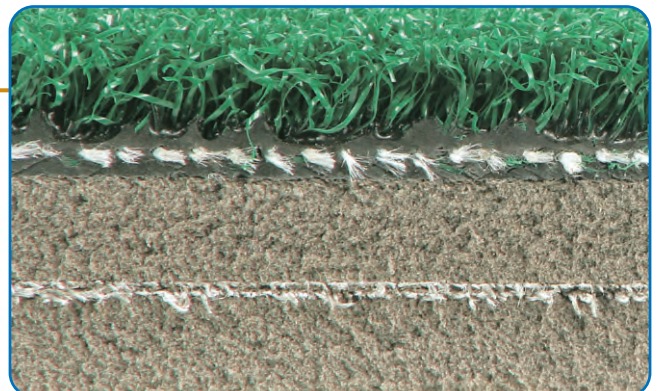

1.5m square or roll form for tee areas

Double-backed Mat

- The most widely used mat in Europe
- Nylon 6.6 turf
- 4 tee holes
- True-to-turf feel

dimensions

1.47m square
